‘...there’s a fantastic wealth of black cherry...’

WINE ENTHUSIAST
M A G A Z I N E

90pts. *“Tastes thick and heavy now with a ...syrupy mouthfeel. Yet there’s a fantastic wealth of black cherry, current, licorice and exotic, feral spice and animal flavors that seems to be a signature of this Fort Ross area...it seems very fine and should develop in the bottle”*
